heroes of the world. How can we become the heroes? Heroes? Heroes. Heroes? Heroes. How can we become the heroes, heroes of the world?

C F F Bb F N.C. C F

2. When we learn a second language, heroes we become.

We connect the whole wide world so all can be as one.

3. Oh come on, you make it seem bilinguals are so great.

Bilinguals this, bilinguals that, you just exaggerate!

Dm Am Bb C

(2) We bilinguals work to keep the dialogues alive,

Else the world would just be islands, fighting to survive.

(3) No exaggeration, our heroics never cease.

And on top of all of this bilinguals bring us peace!

Dm Am Bb C

(2,3) Now let's start becoming heroes. Heroes? Heroes. Heroes? Heroes. Now let's start becoming heroes, heroes of the world.

4. Why we need to learn a language? We don't understand!
5. What if someone laughs at us or tries to pick a fight
6. The world has many languages, and all of them are great.
7. You will find that when you learn this Language Number Two,
8. If students over there are learning Language Number Two,

We don't know a single person in another land!
if we do not know a word or don't pronounce it right?
Why pick this, the language of a people that we hate?
you will have so many friends, you won't know what to do.
we can just relax and look for something else to do!

Dm Am Bb C

- (4) That's the problem when you know just Language Number One.
- (5) Just ignore the laughter and the insults that are hurled.
- (6) That is why we're relearning it, we're knocking down the wall.
- (7) Far away, a class like this is also filled with stars.
- (8) What if there's a joker over there who says the same?

You miss the chance to know the world and miss a lot of fun.
Things like that can never hurt the heroes of the world!
Communication really is the answer to it all.
As we learn to speak their language, they are learning ours.
That is why it's only fair we all share in the pain.

Dm Am Bb C

9. When we learn their language it would really be a treat, if somehow we could find a way that all of us could meet!

- (9) If we were to travel there, the first thing we should do, is smile and shake their hands and sing out:
