this will be his-tor-ic. "Sing-ing with A-mer-i cans" it's e - ven me - ta - phor ic! — As

Guru: 
ma - ny view - ers we can get, that's what we're work - ing for. And

if we get it te - le - vis ed, we'll have a mil - lion more. And friends will tell the friends of friends, and

 TWIMFINA:
view - ers will in - crease. And that is how a Foun - tain Flush will some - day bring us peace. I

Twimfina: 
real - ly like the Foun - tains, but the Flush is not so cool. You

 GURU:
can - not change a per - son when you mock him as a fool. The

Guru: 
tar - get of our foun - tain - flush is not the G. G. G. Our

 ACE:
tar - gets are their fol - low - ers, im - pressed by what they see. The

Ace: 
G. G. G. is com - ing? Oh_ boy! Those guys are tough! The way they walk, the way they talk, I

just can't get e - nough! I real - ly like their guns, I think they're cool and so pro - vok - ing.. I'd

like one for my birth day! *[long pause as he waits for reaction]* HA - HA! I'm on - ly jok - ing!

Twimfina: 

That, my son, was not a joke, it was a hurt - ful gaffe.

Please do not re-peat it, it will ne-ver make us laugh. I know they seem so strong with all their

guns and their ob-lique-ness. But strength like that, you'll some-day learn, is ac-tual-ly a weak-ness. I'm

Ace: 

sor - ry that I said it, I just thought it might be fun To

have a pas - sive pa - ci - fist re - quest to have a gun. You

Twimfina: 

think that we are pas - sive? With all the work we do?

We are AC - TIVE pa - ci - fists, and you could be one too.

Guru: 

Ace is ve - ry smart and he is wise be - yond his years. He

un - der - stands the G. G. G. so let's not have these fears. Let us all get back to work, our

lit - tle fa - mi - ly. We are ac - tive pa - ci - fists, so ac - tive we must be.
