

8. How High Can We Go?

(from "Little Machines")

Secretary Michael
Wolfgang Amadeus Mozart, 1791

♩=80

Middle Working Grunts

We're the mid - dle, work - ing grunts who sing the fil - ler no one wants. We
work and work, the same old sto - ry, while the o - thers get the glo - ry.

MWG

Work and work and work and work and work and work and work and work and work and Work and work and work and work and

Vain Basses

How low can we go? How low can we

Vain Sopranos

Ob - sessed are we. Want to

MWG

work and work and work and work and work and work and work and work and work and work and work and work and

Vain Basses

go? How low can we go?

Vain Sopranos

know it con - stant - ly. Want to know_

MWG

work and work and work and work and work and work and work and work and work and work and work and

Vain Basses

How low can we go?

11 Bm Em

how high, how high, how high can we go? Want to know—

work and work and work and work and work and work and work and

How low, how low, how low can we go?

13 C

how high, how high, how high can we go? Want to know—

work and work and work and work and work and work and work and

How low, how low, how low can we go?

15 G D7 G C

how high, how high, how high, how high, how up in the sky high can we

work and work and work and work and work and work and work and

On - ly thing we want to know:

17 G C G Em

how up in the sky high can we go? Want to

work and work and work and work and work and work and work and

How low, how low, how low can we, how low can we,

19 Am D7

know how high we can
work and work and work and work and work and work and work and work and
how low, how low, how low can we

21 G Bm

go. Want to know_ how high, how high, how high can we
work and work and work and work and work and work and work and work and
go? How low, how low,

23 Em

go? Want to know_ how high, how high, how high can we
work and work and work and work and work and work and work and work and
how low can we go? How low, how low,

25 C G D7

go? Want to know_ how high, how high, how high, how high,
work and work and work and work and work and work and work and work and
how low can we go? On - ly thing we

27 G C G C

how up in the sky high can we how up in the sky high can we

work and work and work and work and work and work and work and work and

want to know: How low, how low,

29 G Em C C#07

go? We want to know how

work and work and work and work and work and work and work and work and

how low can we, how low can we, how low can we?

31 G Em D D7

high, how high can we high can we

work and work and work and work and work and work and work and work and

On - ly want to know:

33 G

go? work and work and work and work and work.

How low can we go?
